(Speaker and Facilitator: Lori Tucker)</p> <p>Objectives:</p> <ol style="list-style-type: none"> 1) To review and comment on the draft of a paper on Pediatric cohort of 1000 Faces of Lupus Study. 2) To plan for new research studies relating to the pediatric cohort.
6:30-8:30	Café Scientifique with Lupus Canada

CAFÉ SCIENTIFIQUE

LUPUS RESEARCH: LET'S TALK OVER COFFEE

Join us for an evening of knowledge transfer and exchange on lupus as lupus researchers, physicians and people with lupus come together for an informal discussion and sharing on lupus research in Canada. Meet and hear from leaders in the lupus research community. Share your thoughts on research priorities, future research, and how research outcomes impact your life.

**FREE
Admission**

RSVP before May 15, 2008

**Delta Montréal Hotel
Montréal, QC**

Thursday, May 29, 2008

6:00 pm - Informal reception

6:30-7:30 pm - Café Scientifique

7:30 pm - Wine & Cheese

Leading Scientists Participating in the Discussions:

Dr. Paul R. Fortin (Toronto)

(Rheumatologist)

Dr. Deborah DaCosta (Montreal)

(Psychologist)

Dr. Christine Peschken (Winnipeg)

(Rheumatologist)

Dr. Joan Wither (Toronto)

(Basic Scientist, Immunologist, Rheumatologist)

Dr. Lori Tucker (Vancouver)

(Pediatric Rheumatologist)

Sponsored by:

CaNIOS

Lupus Canada

Friday May 30, 2007

Morning Session

Time	Activity
0700 – 07:55	BREAKFAST MEETING – Executive of Lupus Canada and CaNIOS
0800 – 0815 (15 min)	Lupus Canada Update – President of Lupus Canada

0845 – 10:15 (90 min)	Database Debate: The Future of the Registry <i>Guests: Dr. Murray Baron, Suzanne Taillefer</i> Topics: Timeliness, Accessibility, Accuracy Where Are We At?
08:45-09:00	Update on the National Lupus Registry
09:00-09:30	Discussion based on the results of CaNIOS instrument survey and vignettes exercise
09:30-10:00	Discussion on process to fill in disease activity and damage questionnaire.
10:00-1015 (45 min)	REFRESHMENT BREAK
1015 – 1200 (90 min)	Database Debate: The Future of the Registry Where do we go?
10:15 – 10:30	Overview of the CSRG Database – Murray Baron/Suzanne Taillefer
10:30 – 11:00	Discussion on data accessibility issue
11:00 – 11:30	Discussion on timeliness of data access
11:30 – 1200	Discussion on data standards and quality control

1200-1330	BUFFET LUNCH WITH LUPUS CANADA
------------------	---------------------------------------

Afternoon - Sessions

Time	Activity
1330-1500 (90 min)	Cross fertilization of Different Specialties Using LuNNET as Model Panelists: Joan Wither, Joanne Bargman, Paul R. Fortin Keynote Address by Dr. Joanne Bargman to be incorporated in this time slot.
1500 - 1530 (30 min)	Discussion: Study Updates, New Projects, New Research Ideas Brief Report on Her Experience with the Database – Dr. Sasha Bernatsky Brief Report from the Pediatric Group – Dr. Suzanne Ramsey
1530-1545 (15 min)	Break
1545-1645 (60 min)	Discussion: Study Updates, New Projects, New Research Ideas GenES/ThromboFIL/2000 Faces if Funded SARD if Funded
1645-1700	Wrap Up

Evening Activity

Time	Activity
	Dinner with Lupus Canada (In the planning stage. Details to follow)

Living Well with Lupus: Pathways to Good Health
Bien vivre avec le lupus: Une voie vers la bonne santé

Time	Topic
9:00 – 9:30	Welcome, Introductions, Overview to LC and CaNIOS
9:30 – 9:45	Patient Perspective – “Lupus is not just about wolves” - Carolina Pineda
9:45 – 10:45	Plenary – Kidney Disease in Lupus - Dr. Joanne Bargman
10:45 – 11:00	Break
11:00 – 12:00	Con-Current Sessions: A) Youth to Adulthood – The Transition Years - Dr. Lori Tucker B) Update on Lupus Research in Canada - Dr. Paul Fortin C) La maladie cardiaque et le lupus - Dr. Christian Pineau
12:00 – 1:30	Lunch, Networking, Silent Auction, Display Tables
1:30 -2:30	Con-Current Sessions: A) Mise-a-Jour sur la recherche sur le lupus au Canada - Dr. Paul Fortin B) Managing Arthritis and Employment: How are People Coping -Dr. Monique Gignac C) A Recipe For Success... Healthy Eating to Help You - Pam Piotrowski
2:30 – 2:45	Break
2:45 – 3:30	Plenary Session – Lupus and the Nervous System - Dr. John Hanly
3:30 – 4:15	Plenary Session – Keeping Well Around the Clock - Dr. Deborah Da Costa
4:15 – 4:30	Wrap Up and Summary
